

Jazzhead 2002 highlights the depth of quality and range of sounds presented by the Jazzhead label.

From the cool jazz grooves of Dodge's performance of Herbie Hancock's *The Bird* through to the spirited mood of Allan Browne's New Rascals' *East St Kilda Toodleo* - Jazzhead 2002 presents excellence in Australian jazz. Here is Dale Barlow's sublime rendition of *When I Fall In Love*, the world flavours of Festa's *Wandering Song* and the hip acid lounge of the Feeling Groovies' *Mystic Ollie*. These are all sounds of Jazzhead.

The Jazzhead history has been filled with critical acclaim and awards - Jazzhead 2002 documents this fabulous journey. Amazing talent, brilliant musicians and incredible composers are all part of the Jazzhead story. They combine to create a style renowned for simultaneously stimulating the head and the feet of any listener.

Enjoy this CD and stay tuned to Jazzhead for more great music.
