Jazz In New York: Monash University The Monash Sessions

Jazz In New York signifies the international collaboration between Monash University's Sir Zelman Cowen School of Music Jazz and Popular Studies program, and New York University's Steinhardt campus, which is located in the heart of Greenwich Village.

Three weeks at the NYU Summer Jazz Improv Workshop is where Melbourne's leading jazz students were treated to cutting-edge jazz education. Involving mentoring, master classes, workshops, and many performances with some of the finest jazz musicians in New York City.

This CD captures the new sounds of the future of jazz as represented in these small group ensembles. Masterfully recorded in the newly built and state of the art NYU James L. Dolan Music Recording Studio.
